Year 3 Newsletter

Last week we were learning....

about the countries surrounding the Mediterranean Sea! The children used a range of resources to name the countries including an atlas, a globe and Google Earth. They were very excited to find out that many of us had visited a Mediterranean country.

In English, we have enjoyed doing some role playing to understand how a play script works and how important stage directions are! They then used our new core text 'Mr Stink' to write a play script based on two characters, Mr Stink and Chloe.

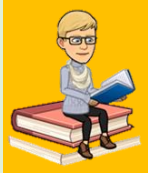
During our RE lesson, the children were discussing their views of Easter. They then learnt what the true meaning of Easter is according to Christians.

This week we will be learning....

about the similarities and differences between some of the Mediterranean countries including France, Spain and Italy. They will then create a fact file based on one of the countries, focusing on climate, food, landmarks, population, etc.

On Tuesday, we will be going to Hyde Hall to give us an insight of what we will be learning in science next half term. They will be looking at parts of a plant, how plants grow and classification.

It is World Book Day next week so we will be immersing ourselves in a variety of activities to foster a love of reading. We will be taking part in a lot of zooms to meet with authors and the children will have an opportunity to become an author as well! On Friday, we will be dressing up for World Book Day! We can't wait to see the children's favourite characters!



Don't Forget!

Tuesday 4th March – Hyde Hall trip, please wear comfortable shoes. Also, bring a packed lunch and water bottle.

Thursday 6th March 2025 – remember to bring your teddies, an additional snack and drink to enjoy in the afternoon whilst listening to a story.

Friday 7th March – World Book Day dress up day!

Please check Google Classroom for donations needed for the upcoming Science Week!
We also need empty water bottles (small with sports lid).
