Week beginning

06.05.25

Year 3 Newsletter

Last week we were learning....

All about the different features of a castle and how the structure is made stable. They were inspired by photos of different castles and created their own sketches of a castle. They will be using this sketch to create their own castle in the coming weeks.

During our PE lessons, the children learnt how to take part in a relay race! They recalled their knowledge of how to race in longer and shorter races and then practiced giving and receiving the baton during relay races. They also built on their African Dance skills to start to create a routine!

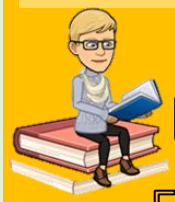
The children focused on introducing themselves in French, asking somebody 'what is your name' and replying with 'my name is...' and saying how they are feeling.

This week we will be learning....

how the spaces outside of our homes have changed over time during our history lesson. The children will learn about the uses of a garden in the past, comparing it to now. They will then be designing their own garden for the future!

During our music lesson, the children will continue to sing their focus song which is 'The Dragon Song'. This week, they will be playing their recorder to accompany the song, focusing on the pulse and tempo.

The children will be investigating how water travels through a plant this week in our science lesson. They will be conducting an experiment to discover how water travels from the roots all around the plant. This investigation will begin on Wednesday and we will conclude with our findings on Friday!



Don't Forget!

On Friday, we will be celebrating VE day and ask that children wear red, white and/or blue on this day. They are also asked to bring in any photographs or wartime related artefacts that are significant to them and that they would like to share.

We welcome donations of boxes, cardboards, plastic bottles and coloured paper to create our DT castles over the coming weeks.

Home Learning...

Homework is set every MONDAY and due in the following Monday. This week Year 3 have the following online tasks to complete:

MyMaths: please log in and complete the set tasks.

Spelling Shed: please log in and complete the set tasks.

CGP – Pages 64, 65, 66.

TTRS- our tournament starts on Monday. Who will be the highest scoring individual? Which class will win?!

Spellings

This week, our spellings are:

Group 1 words: accidentally, breathe, century, consider, eight, guard, heard, peculiar, possible, quarter

Group 2 words: eight, heard, possible, quarter, morning, stopped, three, told, water, would

The children will be tested on:
Monday 12th May 2025
