Year 3 Newsletter

Last week we were learning....

all about the features of newspaper reports! The children wrote amazing quotes from witnesses at the start of the week and included them in their newspaper reports for their Big Write! They also had the opportunity to show off their punctuation and used alternative words for said.

During our last art lesson of Year 3, the children created their abstract sculptures inspired by Anthony Caro's work. They used recyclable materials and a variety of joining techniques to create 3D artwork. Once they showcased their work, the children evaluated it, saying what they like and ideas for improvement.

The children also finished their presentations about their endangered animals including animations, images and transitions.

This week we will be learning....

about pictograms as we begin our new unit of statistics. The children will learn about the key, icons and scales. They will be drawing their own pictograms as the week goes on.

In Learning Challenge, we will be looking at bins! We will be exploring the different types of bins and the importance of using them correctly to recycle.

We will be looking at the results of our nappy survey this week to create a bar chart to show which nappy brand is the most popular in each class. We will also be using our research enquiry strand to find out any more information the children wanted to know from our first enquiry lesson.

Don't Forget!

While the sun continues to shine, please ensure that the children have a bottle of water and a hat (labelled with their name) each day, and that sun cream is applied before coming to school.

A reminder that exhibition day is on Tuesday 8th July, we hope to see you there to showcase your children's amazing work!
