Week beginning

07.10.24

Year 3 Newsletter

Last week we were learning....

about the importance of soil and worms. They used one of the scientific enquiries, research, to gather information and collated it on a poster.

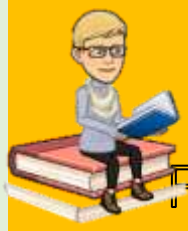
Last week, the children visited Hornchurch Country Park to learn about the history of the Airfield as part of their Learning Challenge local history lesson. They showed enthusiasm and a love of learning when learning about the Airfield during World War 2. They were brilliant ambassadors of the school whilst out; well-done Year 3!

This week we will be learning....

about the 'curiosities' that Mary Anning discovered many years ago. They will be learning what fossils are and how they are formed, describing each step of the process.

In English, we will be a producing a play script based on a scene from our core text, The Abominables, where the characters break into a zoo and free all the animals. We will be looking at the importance of stage directions when writing and performing from a script.

Un, deux, trois... In French, the children will be learning how to count up to 10. This will later support the children to describe their age and how many siblings they have.



Don't Forget!

Monday 14th October is Stone Age Day – Dressing up is encouraged!

As the weather is getting colder, please ensure your child comes to school with a coat.

Home Learning...

Homework is set every MONDAY and due in the following Monday. This week Year 3 have the following online tasks to complete:

MyMaths: please log in and complete the set tasks.

Spelling Shed: please log in and complete the set tasks.

CGP – Pages 22 and 23.

TTRS- our tournament starts on Monday. Who will be the highest scoring individual? Which class will win?!

Spellings

This week, our spellings are:

Group 1 words: actual, answer, bicycle, circle, earth, enough, fruit, island, often, popular.

Group 2 words: circle, from, get, got, had, have, earth, help, fruit, often.

The children will be tested on:

Monday 14th October 2024
