Week beginning

10.03.25

Year 3 Newsletter

Last week we were learning....

five more ice-cream flavours! We now know ten flavours of ice-cream in French including vanilla, chocolate, pistachio, mint and caramel! I wonder if the children could tell you their favourite flavour!

We celebrated World Book Day last week through a range of activities. The children took part in some quizzes, a national read where thousands of children read at the same time, a national write with 'Pobble', cosy stories and dress up day on Friday! We had some amazing entries to our 'Battle of the Books' competition which included dioramas, PowerPoint presentations and posters. The love of reading in Year 3 was clearly visible!

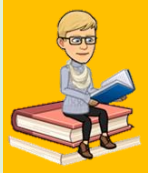
On Tuesday, Year 3 all went to RHS Gardens, Hyde Hall. They participated in a variety of activities including nest making, creating plant pots and planting a seed and hunting for natural resources to make a book mark! What beautiful weather we had and our core values were shown!

This week we will be learning....

how to count in fractions as well as identifying equivalent fractions. Our reasoning focus will be finding area and we will also be continuing to learn our 7 times tables.

It is Science Week next week! We are kicking off the week with an assembly to introduce the theme, 'Change and adapt!'. Throughout the week, we will be making rockets, investigating dissolving materials and much more! On Friday, we are dressing up as scientists to conclude our celebrations!

On Friday, we will also be celebrating a Hindu festival of Holi, the Festival of Colour! We will start off by learning about the Festival of Colour and we have been challenged to learn a Hindu Holi dance.



Don't Forget!

Week beginning 17th March – St Andrew's Church trips

Home Learning...

Homework is set every MONDAY and due in the following Monday. This week Year 3 have the following online tasks to complete:

MyMaths: please log in and complete the set tasks.
