Year 3 Newsletter

Last week we were learning....

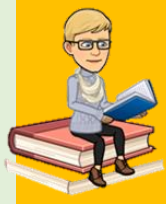
In English, the children used their imagination to create their own character to feature in our new core text 'The Iron Man'. The children have showed fantastic determination to generate a detailed description of their character using a range of descriptive devices.

In RE, the children learnt about the recent Hindu festival Diwali, the festival of light. The children learnt about the story behind Diwali and the importance of the celebration to Hindus. They then showed a fantastic love of learning when they created their Diva lamps.

This week we will be learning....

This week is Maths week! The children will be doing a range of activities to promote a Love of Learning for Maths! Throughout the week, we will showcase how mathematics plays a crucial role in a variety of professions. We will also be dressing up as Maths Rock Stars for the promotion of Times Table Rock Stars and playing games to learn more about fractions.

In Geography, the children will be starting their new topic 'What makes the Earth angry?'. They will be looking at what causes volcanoes to erupt and learning about the most famous volcanoes in the world and where they are located.



Don't Forget!

As it's Maths week, on Tuesday the children can dress to impress as rock 'n' roll superstars to celebrate Times Tables Rock Stars!

We also have a spotty non-uniform day on Friday for Children in Need for a £1 donation.
