Week beginning

12.5.25

Year 3 Newsletter

Last week we were learning....

about VE Day! The children looked amazing in their red, white and blue outfits. They were very respectful during our 2-minute silence and enjoyed finding out about why we celebrate VE day. Our school looks beautiful with all of the decorated Union Jack Flags. Well done!

In Science, we have been investigating what happens when we stand celery sticks in water containing food colouring. The children made predications and used their observation skills to monitor the celery over a number of days. They were amazed when we saw the results and wrote conclusions based on their findings.

This week we will be learning....

In learning challenge, the children will be learning about the digital revolution and finding out how technology in our homes have changed over time.

The children will be using their plans this week to construct their castle in small groups or pairs. We are so excited to see their detailed plans and drawing to come to life! Thank you for all your generous donations to support us in building the castles!

As authors, the children used a story mountain to structure and plan out their own problems that the whale will encounter in their stories based on 'This Morning I met a whale'. They also made their own resolutions. Towards the end of the week, the children will be writing up their narratives for their Big Write! We can't wait to read their stories!

Don't Forget!

With the weather improving, please make sure your child brings a water bottle to school each day.

Don't forget – Sports Day on Wednesday 21st May!

Home Learning...

Homework is set every MONDAY and due in the following Monday. This week Year 3 have the following online tasks to complete:

MyMaths: please log in and complete the set tasks.

Spelling Shed: please log in and complete the set tasks.

CGP – Pages 92-93

TTRS- our tournament starts on Monday. Who will be the highest scoring individual? Which class will win?!

Spellings

This week, our spellings are:

Group 1 words: division, invasion, confusion, decision, collision, television, erosion, vision, fusion, revision

Group 2 words: division, confusion, television, erosion, something, looking, other, plants, pulled, river

The children will be tested on:

Monday 19th May 2025
