Year 3 Newsletter

Last week we were learning....

...about fossils! We learnt about what palaeontologists are and how fossils form over millions of years. The children loved observing the different 'Curiosities' using a magnifying glass.

The children were amazing actors last week when they acted out their play scripts based on our core text 'The Abominables'. They enjoyed incorporating stage directions including facial expressions, movements and experimenting with tone of voice. They used this to then add onto and improve their play scripts.

On Thursday, the children took part in a Black History Month assembly; this was a great introduction to this week's learning!

This week we will be learning....

...more about the Stone Age! Year 3 have an experience day on Monday in which we have a visitor coming in to take the children on a journey to the Stone Age, Bronze Age and Iron Age.

In English, we will then be writing a diary entry reflecting on all the fun we have had on Monday during our Stone Age workshop.

At Towers, we will be celebrating Black History Month this week. The children will be participating in a variety of activities across the curriculum including reviewing an artist in music, designing a mask in art and reading a variety of texts by different authors.

Don't Forget!

Please do NOT bring snacks with nuts into school; we are a nut free school.

Don't forget it is Parent's Evenings this week, if you need to book an appointment please contact the office.
