Week beginning

16.09.24

Year 3 Newsletter

Last week we were learning....

The children have really enjoyed starting our first Learning Challenge unit 'Stone Age'! They came up with some fantastic questions which we look forward to researching and answering in the following weeks.

In DT last week, in preparation for our Cooking and nutrition - Eating seasonally unit, the children discussed holiday locations and the climates of the countries. They then used atlases to find countries around the world, discussing the different climates and what fruits and vegetables are grown in the different climates.

The children displayed lots of determination last week as they wrote their first newspaper report! They used the key events from our core text 'The Abominables' to report on the main character's disappearance.

This week we will be learning....

In English, the children will be using their core text 'The Abominables' to write a persuasive letter to the manager of the Hotel Himalaya. They will be using persuasive phrases to influence the manager to stop the Yeti hunts. Throughout the week, there will be debates to prepare for the Big Write on Friday.

We will continue working on place value in maths this week including finding 1, 10 or 100 more or less, comparing and ordering numbers to 1000 and counting in 50's.

In RE, the children will continue their Hinduism unit and learn about the three Gods which make up the Trimurti. They will be researching and making notes based on the Gods to use the following week to create a fact file.

Don't Forget!

Please make sure that earrings are **removed** before coming to school.

Friday 20th September is Jeans for Genes day, we welcome a £1 donation if your child wishes to wears jeans.

Please ensure all belongings are labelled with your child's full name.

Home Learning...

Homework is set every MONDAY and due in the following Monday. This week Year 3 have the following online tasks to complete:

MyMaths: please log in and complete the set tasks.

Spelling Shed: please log in and complete the set tasks.
