Week beginning

19.5.25

Year 3 Newsletter

Last week we were learning....

about the life cycle of a flowering plant. The children were able to name and explain what happens at each stage. The children impressed us teachers when they explained what photosynthesis is and identified what stage it happened at.

During DT, the children used their plans to create some amazing castles, showing unity and determination to create the different features.

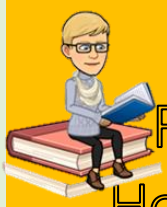
The children built on their prior knowledge of how to introduce ourselves and tell someone how we're doing in French by learning how to say how old we are.

This week we will be learning....

all about why we should try to walk to school at least once a week! Each class have been challenged to walk to school for 'The Great Space Walk'. Each day has a focus on reasons why we should walk to school including: mental health, physical health, sustainability, road safety and community! Let's get walking!

In maths, we will be starting a new unit of time. This will include reading the analogue clock to the closes 5 minutes and exact minute, moving on to reading digital clocks.

We will be turning into poets next week as we will be writing two different types of poems: limerick and acrostic! They will be basing their poems on school and Spring time.



Don't Forget!

Please make sure that all children have a named water bottle on Wednesday (Sports Day) and that they are dressed in their P.E. kit with an accessory that represents their house colour. The events will begin at 9.30 and are expected to finish by 11.30. See you there!

The last day before half term is Friday 23rd May, 3:25pm finish. We welcome you back on Tuesday 3rd June.

Home Learning...

Homework is set every MONDAY and due in the following Monday. This week Year 3 have the following online tasks to complete:

MyMaths: please log in and complete the set tasks.

Spelling Shed: please log in and complete the set tasks.

CGP – Pages 30-33

TTRS- our tournament starts on Monday. Who will be the highest scoring individual? Which class will win?!

Spellings

This week, our spellings are:

Group 1 words: collision, confusion, decision, division, erosion, fusion, invasion, revision, television, vision

Group 2 words: division, television, confusion, revision, queen, white, water, through, magic, eyes

The children will be tested on:

Monday 3rd June 2025
