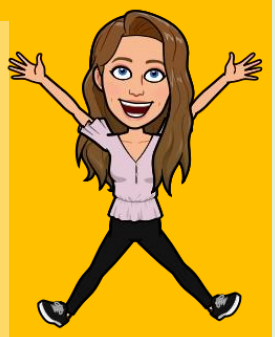
Year 3 Newsletter

Last week we were learning....



The children made their amazing castles last week! They used their prior knowledge about the features of a castle to try to create their own versions. Amazing unity, mutual respect and love of learning was evident!

During computing, the children worked together to create their own branching databases. They chose a topic and then created different questions to make the branches.

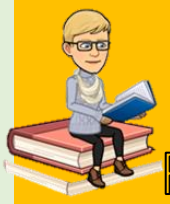
We have brilliant poets in year 3! On Thursday, the children performed their own poems to their class, focusing on volume, pace and expression.

This week we will be learning....

On Friday, we will be completing our French unit of 'Je me présente'. We can't wait for the children to show off their speaking, listening, reading and skills. They have been practising greetings, saying their names and how old they are.

We are very lucky to be part of a fabulous musical experience on Wednesday afternoon, as via Zoom, we watch a concert by the Bournemouth Symphony Orchestra related to sea stories.

The children will have the opportunity to evaluate the castles that they made last week. They will be asked how they could improve their original design and what they would do differently next time.



Don't Forget!

We break up for our half term holiday on Friday 24th May at 3.25 p.m and return on Monday 3rd June.

As the weather gets warmer, please ensure your children have sun-cream (when necessary), hats and water bottles.
