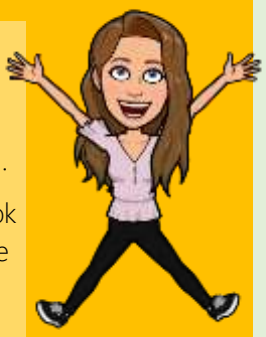
Year 3 Newsletter

Last week we were learning....



...more about the Stone Age! The children were bursting with joy and excitement as they were immersed back to the past during our Stone Age experience day. Please check Twitter/X for pictures of the day. The awe and wonder from Monday then transferred into English as the children wrote amazing diary entries about their day, with all children displaying love of learning.

It was also Black History Week at Towers, our focus was 'Reclaiming Narratives'. The children took part in lots of activities to learn more about the past. They loved the assembly on Tuesday where they met the BBC Radio 1 Xtra presenter, Swarzy Macaly, to explore the power of shared stories and perspectives. They also created some lovely artwork and wrote a review about a song by a black musician.

This week we will be learning....

...how to add and subtract using the column method. The children will be building on their knowledge so far to move onto regrouping when adding, and exchanging when subtracting and also solving worded problems.

In DT this week, the children will be making their seasonal tarts! They will be deciding what ingredients they would like to use, develop their cutting and peeling skills and then evaluate their tarts by tasting them!

The children will be finishing their French unit this week by doing a short speaking, reading, writing and listening assessment based on their learning this half term about greetings, numbers and colours.

Don't Forget!

Friday 25th October is our last day of Autumn 1 Term, and school closes at normal time. Don't forget **Monday 4th November 2024** is an **INSET** day. School will resume at normal time on Tuesday 5th November 2024.

Please label **all** items (jumpers, bag, packed lunch, etc.) that your child brings into school.
