Week beginning

24.03.25

Year 3 Newsletter

Last week we were learning....

How to create a persuasive advert! The children looked at a variety of advertising posters from well-known companies such as McDonalds, Oreo, Diet Coke and Burger King! The children identified the features needed and then created their own poster imagining they were selling an item from Raj's shop, based on our core text.

Year 3 were amazing ambassadors for Towers this week when they walked through the High Street to St Andrew's Church! They were able to learn about the local history of the area through the stained glass windows, read an ancient Bible and also ring the bells! Well done Year 3, we are very proud of the amount of knowledge you had!

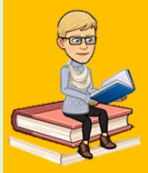
In science, the children were tasked to investigate what magnet is the strongest! They decided on the method they would use and conducted the experiment. They also wrote a conclusion on what they discovered.

This week we will be learning....

all about different careers during our Careers Week. We are very lucky to have some volunteers coming in to share with us what skills are needed in their jobs, linking it to our skills builder! We will be ending this week with a Big Plant Out when the children will all experience the career of gardening, displaying teamwork while we improve our school grounds.

During our Learning Challenge lesson, we will be comparing the human and physical features of the UK and Mediterranean countries using a venn-diagram.

We will be delving into the Easter Story during our RE lesson, they will be using the skill of summarising to re-write the story themselves.



Don't Forget!

We are welcoming donations for our OPAL bingo, please check the Google Classroom for more information.

We are also welcoming donations for the Big Plant Out – any seeds, soils, gloves and other resources are warmly welcomed!

Home Learning...

Homework is set every MONDAY and due in the following Monday. This week Year 3 have the following online tasks to complete:

MyMaths: please log in and complete the set tasks.

Spelling Shed: please log in and complete the set tasks.
