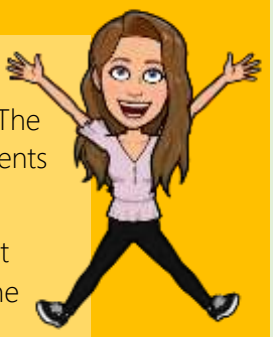
Year 3 Newsletter

Last week we were learning....



Year 3 had a very busy week last week!

They enjoyed their visits to St. Andrew's Church in Hornchurch as part of our work in R.E. The children learnt about features in the church, looked at how the stain glass windows represents the local area and even got to ring the bells!

3P and 3H have had an amazing time during their Bikeability Course this week. They learnt about maintaining their bikes so they are safe to ride on and even rode their bikes with one hand! 3D are very excited to have their turn next week!

This week we will be learning....

On Tuesday, Year 3 will be going to Hyde Hall as an introduction to their new Science unit 'How does our garden grow?'. They will take part in lots of different fun activities throughout the day to learn about how plants grow, plant some seeds, produce some art work and investigate the colours of nature. They will then be writing a recount based on the trip.

As the children have become technology wizzes, they will be completing their Google Slides presentation to present to the class! They will have added formatted text, objects, pictures, transitions and animations – well done year 3, your presentations are amazing!

Don't Forget!

School finishes at 1:30 on Thursday 28th March for the Easter Holidays! We hope you have a lovely break! We will see you all on Monday 15th April!
