Week beginning

28.4.25

Year 3 Newsletter

Last week we were learning....

All about the parts of a plant in our new Science unit 'How does your garden grow?'. The children shared their prior knowledge from our trip to Hyde Hall and were able to label the parts of plant and talk about their functions.

In maths, the children have been able to recall their knowledge of fractions from before half term and apply it to adding and subtracting fractions with the same denominator.

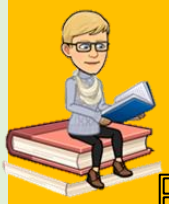
The children started their new French unit and have been learning how to introduce themselves and say how they are feeling.

This week we will be learning....

In Learning challenge, the children will be continuing to discuss how our homes have changed over time. They will be investigating kitchen utensils across time periods and discovering their uses.

During our RE lessons, the children will be learning how people may express their faith through playing, listening or creating music. The children will have the opportunity to create their own lyrics about their own beliefs.

The children will begin a new DT unit 'Constructing a castle'. In this first lesson, they will explore the different parts of a castle and how the structure is made stable. They will use photos of castles to inspire their own sketches of castles.



Don't Forget!

We welcome donations of boxes, cardboards, plastic bottles and coloured paper to create our DT castles over the coming weeks.

Home Learning...

Homework is set every MONDAY and due in the following Monday. This week Year 3 have the following online tasks to complete:

MyMaths: please log in and complete the set tasks.

Spelling Shed: please log in and complete the set tasks.

CGP – Pages 38-39.

TTRS- our tournament starts on Monday. Who will be the highest scoring individual? Which class will win?!

Spellings

This week, our spellings are:

Group 1 words: ball, bawl, berry, bury, break, brake, fair, fare, mail, male.

Group 2 words: ball, bawl, berry, bury, break, brake, because, couldn't, every, found.

The children will be tested on:

Tuesday 6th May 2025
