Week beginning

30.06.25

Year 3 Newsletter

Last week we were learning....

about different kinds of angles including acute, right and obtuse. The children had an opportunity to draw the different angles and identify angles around the classroom.

During our investigative science lesson, the children tested which brand of nappy was most absorbent. They made predictions and recorded the results, some children created bar charts to show their findings!

What an amazing Learning Challenge lesson we had last week! The children used their computing skills of creating a Google Slides presentation to present the information they had researched about an endangered animal. They added images, animations and text. Well done Year 3!

This week we will be learning....

how to write a newspaper report, relating to 'The Lorax'. We will be generating quotes on Monday to include in the report, based on what the characters may be saying about the deforestation caused by the Once-Ler.

The children will be using their knowledge of the different creation stories and begin to create booklets based on why we should protect the Earth. They will use different religious view points on why they believe God would want us to look after the environment.

On Monday afternoon, the children will be finding out who their new Year 4 teacher will be! We have lots of exciting activities planned including creating our own superhero!

Don't Forget!

While the sun continues to shine, please ensure that the children have a bottle of water and a hat (labelled with their name) each day, and that sun cream is applied before coming to school.

A reminder that exhibition day is on Tuesday 8th July, we hope to see you there to showcase your children's amazing work!

Home Learning...

Homework is set every MONDAY and due in the following Monday. This week Year 3 have the following online tasks to complete:

MyMaths: please log in and complete the set tasks.

Spelling Shed: please log in and complete the set tasks.

CGP – Pages 76-77

TTRS- our tournament starts on Monday. Who will be the highest scoring individual? Which class will win?!

Spellings

This week, our spellings are:

alright, always, around, beautiful, because, bought, caught, clothes, cousin, decided

The children will be tested on:

Monday 30th June 2025
