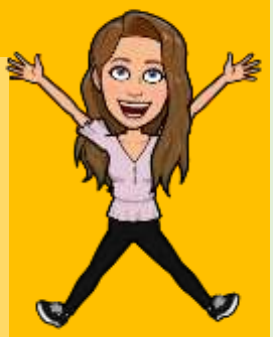
Week beginning

30.09.24

Year 3 Newsletter

Last week we were learning....



Last week, the children conducted their own investigation into different soil types. They used magnifying glasses to observe what was in chalk, clay and sandy soil. Following this, we did an observation over time experiment by adding water to the soils and letting them settle, the children then observed the different layers.

In music, the children have used the previous weeks learning of B, A and G notes to play the simple tune of 'Hot Cross Buns'.

This week we will be learning....

In English, we will be celebrating National Poetry Day! The children will be listening to and reading a range of poems during the week leading up to their own poem to be entered into a competition!

The children will be researching the importance of soil and worms within the soil. They will use this research to create an information poster.

In maths, the children will be adding and subtracting 100s and adding and subtracting across a 100. This will lead into work of more formal methods of recording including column method.

Don't Forget!

Year 3 trips this week to Hornchurch Airfield as part of our local history study.

3P – 1st October, 3D – 2nd October and 3H – 3rd October.

Home Learning...

Homework is set every MONDAY and due in the following Monday. This week Year 3 have the following online tasks to complete:
