Year 3 Newsletter

Last week we were learning....

all about 'Career's Week'. The children enjoyed going to the Career's Fair where they met a range of professionals and interviewed them about their jobs! Year 3 also had Doctor Sarah visit each class on Thursday and she showed the children what to do when they find someone unresponsive. They all had a go at CPR on the manikin.

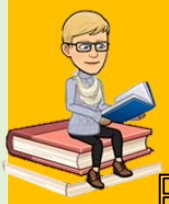
On Friday, the children took part in our 'Big Plant Out'! Dressed in their gardening clothes, they independently planted seeds into pots and are excited to see them grow. Thank you for your donations!

This week we will be learning....

In English, the children will be producing their final draft of an informal letter to put on our amazing writing walls! Following this, they will be writing a Haiku based on our core text 'Mr Stink'.

The children will be adding to their Google Slide presentation that they have been working on for the last few weeks in Computing. They will be adding animations and transitions between slides.

In Science, the children will be reflecting on their unit 'Magnets and Forces'. They will be discussing the two poles of a magnet and the uses of magnets in everyday life and industry using the key vocabulary.



Don't Forget!

This is the last week for our OPAL bingo so if you do have any unwanted items at home such as wheeled toys, gardening equipment, dolls and prams, chalk or soft toys then this would be gratefully received and the children could win 15 minutes extra play if they are the winning class.

Children should be logging onto Spelling Shed to practise their spellings. The winning class of the week will win 15 minutes extra break.
