Year 3 Newsletter

Magic Moments!

Last week our Year 3 pupils were wonderfully engaged while being introduced to our final topic of the year, 'Extreme Earth', and our new core text, 'The Firework Maker's Daughter'. Keep up your fantastic positive attitude Year 3!

3ML have been excellent description detectives! They used ambitious language to write a detailed description of a character from the story.

3D really enjoyed learning more about the characters as we continue to read our core text.

3CL were amazing artists as they enjoyed sketching volcanoes outside in the sunshine!

A Peek at the Week...

In maths, we will be practising measuring and drawing lines accurately using centimetres and millimetres. We will also learn about vertical and horizontal lines, including identifying lines of symmetry.

In English, we will be revisiting and practising our grammar skills to use in our 'Big Write' at the end of the week.

In Topic, we will be discovering how volcanoes are formed.

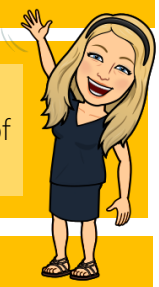
In Art, we shall be linking our work to our topic of volcanoes by starting to create our Volcano pictures, using collage.

In Science, we will be investigating the strength of magnets.

During our R.E lessons, we will be listening to the Judaism creation story and thinking about what order the children would create the world.

Don't Forget!

Sports Week is fast approaching! If you would like to see your child in our sports day video, please fill out the consent form to ensure they can be part of filming.



Over to you... Home Learning

Homework is set every MONDAY and due in the following Monday. This week Year 3 have the following online tasks to complete:

Reading Eggs: Please read your assigned reading book, complete the quizzes and complete at least two lessons on your map.

MyMaths: Complete the task practising your understanding of symmetry.

Google Classroom: Log into Purple Mash, reply to Mrs Ley's email and send a joke to someone in your class!

Spellings

This week's spellings are words with the /g/ sound spelled '-gue' and the /k/ sound spelled '-que'. These words have their origins in the French language.

The spellings you need to learn are:

vague, league, plague, tongue, fatigue, antique, unique, grotesque, mosque, plaque

Log in to Spelling Shed to practise your spellings!

Phonics

This week, we will be finding out all of the suffixes and spelling rules the children can remember.

Keep in touch!
