Year 3 Newsletter

Magic Moments!

Last week our super sporty Year 3 pupils enjoyed a fun-filled Sports Week. They demonstrated our BUILD values during Sports Day and enjoyed cheering on their team members. We are all so proud of how each house team united together to support one another during each event.

3ML enjoyed all things creative by completing their volcano collages. They used different materials to bring their painted masterpieces to life!

3D enjoyed learning about gender stereotypes in PSHE and participated in a marvellous discussion about different roles within their families. 3CL carried out some excellent research about their chosen Olympian/ Paralympian to write an interesting fact file about their life and achievements.

A Peek at the Week...

We cannot believe we are in our last full week of Year 3. We still have lots of fun things planned to do!

In maths, we continue our work on measuring mass and capacity. We will learn how to measure capacity in litres and millilitres, and compare, add and subtract capacities.

In English, we will be looking at features of a poem alongside performing poems to each other.

For topic, we will be discovering what a tsunami is and what causes one.

During our computing lessons, we will be looking at how we can email safely.

As our school year comes to a close, we will also be thinking of things to look forward to when moving to a new class in PHSE.

On Friday we have a very exciting day planned to celebrate the end of the school year. We can't wait!

Don't Forget!

We hope you enjoyed reading your child's reports. We are certainly proud of them for the BUILD values they have shown and of all that they have achieved this year. Please do return your reply slips for your child's report to your class teacher.

Over to you... Home Learning

Homework is set every MONDAY and due in the following Monday. This week Year 3 have the following online tasks to complete:

Reading Eggs: Please read your assigned reading book, complete the quizzes and complete at least two lessons on your map.

MyMaths: Complete the revision on fractions calculations we have set for you.

Spellings

This week's spellings are challenge words. The spellings you need to learn are:

accidentally, breathe, century, consider, eight, guard, heard, peculiar, possible, quarter

Log in to Spelling Shed to practise your spellings!

Phonics

In Phonics this week we will continue to revise and consolidate everything we have learnt during the year. We will also practice some Year 3 Common exception words beginning with t, v and w.
