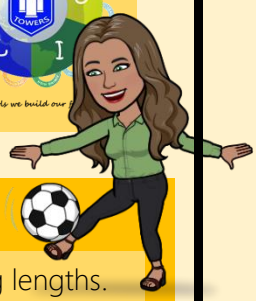
Year 3 Newsletter



Magic Moments!

This week Year 3 have shown excellent determination in their return to home learning after the half term holiday. It has been wonderful to see smiling faces and great enthusiasm on our class Zooms. We are all enormously proud of your fantastic effort.

3ML used their word detective skills when finding different features of poems, including nouns, adjectives, and onomatopoeia!

3D were just like the mysterious sound collector from our performance poem when they 'collected' the sounds they could hear around them and used them in their own poems.

3CL demonstrated a brilliant understanding of using the appropriate units of measure. They are experts in knowing when it is appropriate to measure in mm, cm or m.

A Peek at the Week...

In maths we will be comparing, adding and subtracting lengths. We will be converting between mm, cm and m whilst carrying out problem solving.

In English this week, we are looking forward to celebrating 'Book Week'. We have lots of fun activities for you to take part in as you learn from home. We can't wait!

In our topic work, we will continue our journey of learning about Ancient Egypt and those that lived during these times. We will be investigating mummification and why it was considered to be so important.

In art, we will continue to produce Egyptian artwork using our observational skills.

We will also be continuing to understand why Jesus is important to Christians and look at the teachings of Jesus.

Don't Forget!

As we will celebrating Book Week next week, the children may want to think about their favourite books and characters. They might want to collect materials they can recycle to make characters or create accessories for their own character costume!

Over to you... Home Learning

Homework is set every MONDAY and due in the following Monday. This week Year 3 have the following online tasks to complete:

MyMaths: Your task this week is to compare measurements using the symbols <, > and =.

Reading Eggs: Please read your assigned reading book, complete the quizzes and complete at least two lessons on your map.

Spellings

This week's spellings will look at the long vowel /a/ spelled with the digraph 'ai'.
The spellings you need to learn are:

straight, painter, fainted, waist, strainer, chained, claimed, failure, snail, waiter

Log in to Spelling Shed to practise your spellings!

Phonics

This week we are learning to add the suffix 'ly' to an adjective to make an adverb. We will also be investigating how to use a spell checker on a Word document.
