Week beginning

29.3.2021

Year 4 Newsletter

Magic Moments!

This week it was all about chocolate…we learned about the journey of a cocoa bean from the rainforest to the chocolate shop – scrummy, delicious, mouth-watering chocolate bars!

We also started reading extracts from Charlie and the Chocolate factory. You really can't have too much chocolate!

In PE we have been practising our orienteering skills – we needed to use our addition skills too though!

There was great excitement too as the outside space for lunchtimes changed to a rotation system. Each week, the children will now be able to use the gym and have the freedom of the field!

A Peek at the Week…

We will continue to look at 'Charlie and the Chocolate Factory', designing our own room to add to Willy Wonka's factory. Unfortunately, disaster is about to strike one unfortunate child when they touch or taste one of the products in the factory. A frightening transformation is about to take place…

In maths, we will be continuing our work on decimals and solving a mystery using all our maths knowledge and our detective skills.

In Topic, we will be looking at the issue of fair trade- what it is and why it is necessary. We will also be thinking about our own design for a chocolate bar and wrapper.

Our Science this week will look at how fast washing dries… just in time for the children to help with the laundry at home during the holidays!

Don't Forget!

Please remember that school closes earlier this **Thursday** and the Easter holidays begin. Children with surnames A-M leave at 1.20pm and N-Z 1.35pm. Have a wonderful Easter and we look forward to seeing you all on Monday 19th April!

Over to you… Home Learning

As it's the Easter Holidays, and you've all worked so hard (parents included!), we won't be setting homework during the holidays.

However, you can use the websites to play games to help you with your reading, spelling and maths.

MyMaths

Play the times tables games to make sure you keep your speed up.

Reading Eggs:. Explore the library and see what you can find. You might want to read the remaining chapters of "Chocolate Chuckles".

Purple Mash: Play the maths games you've used this term.

Spellings

This week we have some challenge words from the Year 3 and 4 list of common exception words.

group, height, particular, potatoes, separate, surprise, through, various, though, woman

Please remember to practise your spellings on Spelling Shed

Keep in touch!
