Year 4 Newsletter

TWO SCHOOLS, ONE VISION

At Towers Schools we build our future together

Magic Moments!

Our school BUILD values were in evidence all week during Sports Week. The children enjoyed the daily challenges set by Miss Harries, participating with energy and enthusiasm.

On Wednesday, the children took part in eight activities, all inspired by Olympic and Paralympic athletes. We saw fantastic unity as the children worked as a team to score points. They supported each other so well and cheered so loudly! Determination was in evidence too as everybody tried their best to add points to their totals.

In between various challenges, we've also been counting syllables and using rhyme to write sonnets. There was silence (apart from the counting of syllables!) as the children tried to create a poem following the rules. It's much harder than it sounds!

A Peek at the Week...

In English we will be looking at a variety of newspaper reports and identifying their main features. We will read all about the terrible events in the woods which left poor Red Riding Hood and her granny traumatised. Then we will report on the ghostly events occurring at the castle recently purchased by Colonel Fazackerley Butterworth-Toast, a character recently discovered in our week of poetry.

This week in maths, we are learning all about position and direction – plotting points and translating simple shapes.

In Topic, we will continue to investigate types of renewable energy and their relative advantages and disadvantages. We will also continue with our research, building a mind map about the features of Norway.

On Friday, it's Summer Party Day. Children are invited to come in non-uniform for the day and take part in lots of activities to celebrate the end of the academic year. We can't wait!

Don't Forget!

We hope you enjoyed reading your child's reports. We are certainly proud of them for the BUILD values they have shown and of all that they have achieved this year. Please do return your reply slips for your child's report to your class teacher.

Over to you... Home Learning

Homework is set every MONDAY and due in the following Monday. This week Year 4 have the following online tasks to complete.

MyMaths: This week, a task has been set on MyMaths about coordinates.

Reading Eggs:. Remember to try to complete two lessons from your own individual map every week. This week, we have set the final chapter of our "Gumshoe Gang Cracks the Case".

Purple Mash: This week, we have set a 2Do about Renewal Energy. Can you decide which resources can and can't be renewed?

Spellings

This week, we are revising some of the spelling rules that we have learned in Year 4.

strength, knowledge, believe, experiment, probably, interest, purpose, mention, difficult, calendar

Please remember to practise your spellings on Spelling Shed
