Year 6 Newsletter

TWO SCHOOLS, ONE VISION

At Towers Schools we build our future together

Magic Moments!

Miss Short was particularly impressed with Leo's effort and achievements in our Topic lessons. He produced an excellent leaflet on vaccines and the immune system, with very clear information shared. Well done, Leo!

Miss Gad was very impressed with Melissa's input and knowledge within our maths lessons before half term! On several occasions, Melissa was able to methodically explain how we find missing angles within a variety of shapes. Well done Melissa!

6L were tennis professionals in P.E. We saw some fantastic rallies! James really impressed Mrs Lawless with his teamwork and kindness. We couldn't have done it without you James!

A Peek at the Week...

Arts and Culture Week

It is Arts and Culture Week! Our foundation and English lessons will be focussing on the Spanish festival, La Tomatina. La Tomatina is a festival that is held in the Valencian town of Buñol, in the East of Spain 30 kilometres from the Mediterranean, in which participants throw tomatoes!

In English, we are focusing on La Tomantina and turning our classroom into a court room! We will be identifying reasons for and against the festival taking place and will be strengthening our debating skills. We will be exploring the festival's history and creating our own posters to advertise La Tomatina. We also have plans to create our own giant tomatoes in order to decorate the Year 6 block! Our artist study will be Joan Miro, a Spanish painter, sculptor, and ceramicist born in Barcelona.

In maths, we will be continuing to look at angles. We will be calculating missing angles in a triangle and looking at the rules that these angles follow.
In PSHE we are looking at our own self-image including body image. We will be learning a little more about how to develop our self-esteem.

Don't Forget!

This week is Stubbers week! **6G– Monday** **6L – Tuesday** **6S – Wednesday**
Remember to pack a sun hat, a waterproof jacket and to bring 2 drinks in your lunch box. Don't forget to apply sun cream too!

Over to you... Home Learning

Homework is set every MONDAY and due in the following Monday. This week Year 6 have the following online tasks to complete:

MyMaths: Check back in with the learning we have done so far on angles – part 2.

Reading Eggs: Continue reading 'Through the Looking Glass' – Chapters 3-5.

Google Classroom: If you are working remotely, please see your assignments.

Spellings

The rule of the week is:

****CHALLENGE WORDS – set *30***

The spellings you will need to learn are:

intently, diligently, repeatedly, knavishly, determinedly, resolutely, relentlessly, persistently, tenaciously, continually

Log in to Spelling shed to practise!
