Year 6 Newsletter

TWO SCHOOLS, ONE VISION

At Towers Schools we build our future together

Magic Moments!

What a creative week we had for Book Week! It was amazing to see all of the children's wonderful ideas of places to read their favourite books. We certainly have many talented children in Year 6!
Mrs Lawless is incredibly proud of Ayva for demonstrating such a love and passion for reading. She has incredible enthusiasm for wider school tasks and Mrs Lawless really appreciated her positive feedback about our core text.
Miss Short would like to celebrate Charlie for his fantastic enthusiasm and effort in presenting his chosen text in our Battle of the Books. He showed wonderful creativity with his rap and Miss Short was very proud of him for performing his piece (so willingly) not only one but twice to the class.
Miss Gad has been really impressed with Ewan and his love of reading. He has been reading a variety of books by Cassandra Clare and has even read the Periodic Table!

A Peek at the Week...

WELCOME BACK! We are so looking forward to being back in our Year 6 classrooms this week.
In English, we have been thoroughly enjoying our work on Wonder! This week we will be writing as the character August and describing his feelings towards starting school. We will also be completing a cross-curricular non-chronological report that will link with our studies in RE.
In maths, we are continuing our learning on converting units of measure. We will be focussing on converting between metric and imperial units, and completing investigations based on what we have learnt.
We are starting our new unit of electricity in science this week. We will be exploring circuits and the symbols that represent each component. We hope it will 'spark' the children's interests!
In topic, we are continuing our learning from year 5 about the Ancient Greeks. This week, we will be creating our own myth inspired by what we already know.

Don't Forget!

P.E are no longer on a Wednesday. We will be returning to our previous timetables, meaning 6G and 6L will have both P.E lessons on Thursdays and 6S will have theirs on Fridays. Please remember to attend school in your P.E kit on these days.

Over to you... Home Learning

Homework is set every MONDAY and due in the following Monday. This week Year 6 have the following online tasks to complete:

MyMaths: Converting measures.

Reading Eggs: On the trail of the Golden Man.

Google Classroom: See your assignments.

Spellings

The rule of the week is:

****CHALLENGE WORDS – set 20 – words with origins in other countries****

The spellings you will need to learn are:

hoist easel restaurant pyjamas
bungalow veranda ballet blizzard
gymkhana origin

Log in to Spelling shed to practise!
