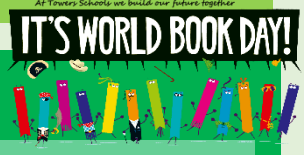
## Week beginning

01.03.2021

# Year 6 Newsletter

TWO SCHOOLS, ONE VISION

At Towers Schools we build our future together



## Magic Moments!

As we move into our final week of remote learning, the year 6 team would like to say an enormous WELL DONE to all of you!

Miss Short has been really impressed with Ciaran's effort and contributions throughout the week. He has consistently shared his ideas during our Zoom sessions and very kindly showed the class images of his visit to a still standing Anderson Shelter. Well done Ciaran!

Miss Gad has been impressed with Amicie-May's sheer determination when solving difficult algebraic problems. Keep it up Amicie, well done!

In 6L, Brooke has shown brilliant independence and has really taken control of her own learning. As a result, she has been an algebraic superstar! Mrs Lawless has loved seeing her confidence in maths blossom!

## A Peek at the Week...

It is World Book Week this week! We will have a themed session every day to explore our chosen author of the week – Malorie Blackman.

In maths, we are revisiting units of measure. We will be looking at choosing suitable units when measuring different objects, as well as converting between units of measure.

In topic, we are starting a project on Hornchurch Heroes, which will link World War Two with the local area in which we live. We will be researching how Hornchurch was affected by the war and finding out more about the significant people involved in World War Two from our local area.

In science, we will be exploring the movement of the moon in relation to the Earth. We will look at the different phases of the moon and why these occur. We were so impressed with some of the knowledge the children shared with us last week about the earth's orbit of the sun. It really was out of this world!

## Don't Forget!

As we will celebrating Book Week next week, the children may want to think about their favourite books and characters. They might want to collect materials they can recycle to make characters or create accessories for their own character costume!

## Over to you... Home Learning

Homework is set every MONDAY and due in the following Monday. This week Year 6 have the following online tasks to complete:

**MyMaths:** Re-visit algebra by practising multi-step equations this week.

**Reading Eggs:** The Storytelling Stone – can you read the chapters?

**Google Classroom:** See your assignments!

## Spellings

The rule of the week is:

****CHALLENGE WORDS – set 19 – words with 'f' sound, spelt with 'ph'****

The spellings you will need to learn are:

graph pheasant phone photo physical alphabet dolphin elephant pamphlet sphere

Log in to Spelling shed to practise!
