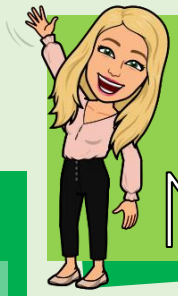
## Week beginning

22.02.2021



# Year 6 Newsletter

TWO SCHOOLS, ONE VISION

At Towers Schools we build our future together

## Magic Moments!

We are extremely proud of the work our pupils produced at home last half term. Thank you Year 6 for being such fantastic learners and leaders of our school.

Miss Gad was really impressed with Adam last week for sharing some research he found interesting regarding Anne Frank. Well done Adam!

Well done to Oscar in 6S for his confidence and clarity when reciting poetry last week. He was able to recite the entire poem independently and without stopping. Amazing effort, Oscar!

Mrs Lawless has been really proud of Lillie this week for her continued hard work and dedication to her learning. Lillie always goes above and beyond to make sure her work is the best it can be and last week showed that she is a great independent learner who is taking charge of her own learning journey. Well done!

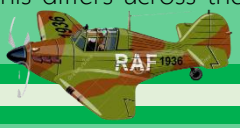
## A Peek at the Week...

We will be starting the term with a new book and a new genre focus! In English, we will be looking at our new book, 'Wonder' by RJ Palacio. This week, we will be studying the different characters and the roles they play within the book. There will be lots of reading this week to ensure we understand the story clearly!

In maths, we are coming to the end of our algebra unit! We will be solving simple equations and using given information to find the values of different algebraic inputs. We were really impressed with the way the children worked hard on their algebraic skills before the half term holiday.

In topic, we are continuing our learning on World War Two, however we will be focusing on a local study. We will be looking at the history our school holds as well as the town of Hornchurch.

In science, we are revisiting our year 5 work on Space to ensure we share all knowledge needed for this unit. We will be looking at the causes of night and day and how this differs across the globe.



## Don't Forget!

We are all so pleased with the effort that everyone is making with the times table grids. Keep trying to set a personal best for the 4/5/6 table grid. Can you complete the grid in under 4 minutes/under 3 minutes? Is under 2 minutes possible?

## Over to you... Home Learning

Homework is set every MONDAY and due in the following Monday. This week Year 6 have the following online tasks to complete:

**MyMaths:** This week we are practising substituting values.

**Reading Eggs:** The Tuskegee Airmen – whole book.

**Google Classroom:** See your assignments and keep sharing your work with us. We love looking at the amazing work you are producing!

## Spellings

The rule of the week is:

****CHALLENGE WORDS – set 18****

The spellings you will need to learn are:

disappointed dissatisfied dissimilar unsure unnecessary unnatural overseas overrule overreact impatient

Log in to Spelling shed to practise!
