Year 6 Newsletter

TWO SCHOOLS, ONE VISION

At Towers Schools we build our future together

Magic Moments!

Last week, the children enjoyed yet another busy week!
In 6G, Miss Gad has been really impressed with the resilience that Madison showed during assessment week. She has tried very hard to listen to feedback and support from adults in order to improve. Well done, Madison!
6S enjoyed exploring the importance of the Qur'an in Islam last week. The class listened to the teachings and stories from the holy book and discussed the similarities between Islam, Christianity and Judaism. Ayo showed great enthusiasm to share his knowledge and understanding with others. Well done, Ayo!
6L have been thoroughly enjoying learning to play rounders in their P.E lessons. Monty stood out this week with his powerful throwing skills! There was a lot of excitement, cheering and many rounders scored!

A Peek at the Week...

In English, we will be looking at formal letter writing. This will be linked to our class book: Pig Heart Boy and we will be focussing on when Cameron meets Dr Bryce. We have been gripped with the story so far. The children have asked lots of brilliant questions surrounding the ethics behind 'xenotransplantation' – it has been fascinating!
In maths, we will be revisiting algebra. We will be solving missing number problems as well as using algebra in number sequences.
We have an exciting week in science this week! We will be taking part in an online workshop to explore STEM roles and possible future careers. This workshop features a variety of digital and technology sector volunteers from familiar brands such as BT, Vodafone and ITV to those working in digital aspects of the arts.
In topic, we will be 'digging deeper' and looking at erosion and deposition. We will be exploring how these events impact physical geography around the world.
Finally, in RE we are looking at the values of the religion of Islam and how these contribute to personal development. We have loved learning more about the world religions this year.

Don't Forget!

Please remember to check any packaging on snacks for break times. They should be healthy snacks (not cakes or crisps) and must not contain nuts. It is important that the children also have a bottle of water (labelled), especially while we enjoy the latest blast of warm weather!

Over to you... Home Learning

Homework is set every MONDAY and due in the following Monday. This week Year 6 have the following online tasks to complete:

MyMaths: A review of mixed assessments.

Reading Eggs: Don't forget to check your map! Have a look at Station Kuku

Google Classroom: If you are learning remotely, see your assignments for further guidance.

Spellings

The rule of the week is:

CHALLENGE WORDS – set 33

The spellings you will need to learn are:

amiable obnoxious disagreeable grotesque repugnant exquisite courageous gargantuan valiant delightful

Log in to Spelling shed to practise!

Keep in touch!
