Year 6 Newsletter

TWO SCHOOLS, ONE VISION

At Towers Schools we build our future together

Magic Moments!

In 6L, Bobby F impressed us with his poetry writing last week. He even astounded himself with the quality of his own work which was evident when he said to Mrs Lawless, 'I didn't know I could do that!'. Well done Bobby – it made us so happy to see you feeling so proud of your writing.

Miss Short was really impressed with the maturity and respect shown by the whole class during their discussion of roles within the NHS. However, it was Ava that really stood out this week. Miss Short was incredibly proud of her maturity and reasoning throughout the discussion, and she displayed fantastic debating skills. Well done, Ava!

Miss Gad was really impressed with Ellis' handwriting throughout the week. He has tried really hard to perfect all joins and has handed in work that has shown exceptional presentation in all subjects. Well done, Ellis!

A Peek at the Week...

We have made it to the Easter holidays, and we could not be prouder of how well our Year Six children have settled back in to school over the last few weeks.

Have you ever heard of a 'precept'? In English, we will be learning what these are and then creating our own. Wonder has captivated the children and their work has been outstanding

In maths, we will be coming to the end of our unit of measurements. We will end the half term by learning how to find the area of a parallelogram, as well as exploring how to calculate the volume of 3D shapes.

In science, we will be finishing our unit on electricity by investigating the effects of changing components within a circuit. We will be using the resources provided to explore what happens to the bulb when different components are added, removed or altered. We loved our last lesson where the children were able to use an online circuit maker to take part in some electrical testing.

In topic, we are exploring the Battle of Marathon. We will look at the events that took place and then put them into chronological order. Its another jam-packed and exciting week!

Don't Forget!

Please remember that school closes earlier this **Thursday** and the Easter holidays begin. Children with surnames A-M leave at 1.20pm and N-Z 1.35pm. Have a wonderful Easter and we look forward to seeing you all on Monday 19th April!

Over to you... Home Learning

Homework is set every MONDAY and due in the following Monday. This week Year 6 have the following online tasks to complete:

MyMaths: Area of a triangle.

Reading Eggs: The Lake Isle of Innisfree.

Google Classroom: See your assignments.

Spellings

The rule of the week is:

****CHALLENGE WORDS – set 23 – words ending in-tial****

The spellings you will need to learn are:

influential martial spatial partial confidential essential substantial potential sequential torrential

Log in to Spelling shed to practise!
