Year 5 Newsletter

TWO SCHOOLS, ONE VISION

At Towers Schools we build our future together

Magic Moments!

Here are some of the many magical moments from the week! This week we had a great time attending a Science STEM workshop all about different jobs in STEM. We also enjoyed writing our own newspapers for the Daily Argus!

In 5L, Maddie had some great ideas for creating a short video clip to promote anti-bullying in our drama lessons. Well done Maddie!

In 5R, Elizabeth had amazing motivation and stamina during our Just Dance PE session! She performed the moves excellently and showed a great Love of Learning!

In 5H, James H wrote a fantastic description, demonstrating his understanding of creating imagery for the reader. Well done, James.

A Peek at the Week

Let's take a look at the exciting week ahead!

In English this week, we will be exploring poetry inspired by Who Let the Gods Out! We will look at a range of different poems and use these as inspiration to create our own short poetry pieces. We will also learn them by heart before performing them to our classes!

In Maths we will be continuing our work on Volume. We will be estimating volume, comparing volume and solving worded problems to practise our reasoning skills. This week also sees our Sports Week take place. We have sporting activities happening every day and the children can win points for their House. The House with the most points from over the week will be announced in a special assembly on Friday. Good Luck everyone!

We have a focus on RHE (Relationships and Health Education) this week where we will discuss how we have changed since being babies and the changes that occur during puberty. All information has been shared on the google classroom and via parentmail for you to refer to, should you wish. Our Q&A session on Friday will see the children split into two groups: boys and girls. The questions addressed will be the same but in smaller groups to promote confidence. We are here as always to answer any questions you may have so please do not hesitate to contact us.

Don't Forget!

This week is Sports Week! We will be taking part in lots of activities this week so remember to bring your water bottles to school! See the google classroom too for an extra way to earn points for your team!

Over to you... Home Learning

Homework is set every MONDAY and due in the following Monday. This week Year 5 have the following online tasks to complete.

MyMaths: Translation and reflection of shapes

Reading Eggs: Read chapters 4 and 5 of 'Treasure Quest: the treasure hunters'. Remember to also be working through 2 lessons each week on your map.

Purple Mash: Log on to Purple Mash to create a game. Look in your 2Do list.

Spellings

This week we will learn to spell homophones; words that sound the same but have different meanings.

New spellings: **achieve, apparent, bargain, bruise, community, mischievous, muscle, necessary, vehicle, system**

Log in to **Spelling Shed** to practise your spellings! Let's see if we can make Y5 the top of Towers league!
