Year 3 Newsletter

Magic Moments!

Year 3 have had another very busy week.

3CL and 3D have produced some wonderful cave paintings and linked these to the famous cave paintings in Lascaux, France. 3ML have produced some excellent self- portraits - we definitely have some artists in our midst!

The children all imagined that they had travelled back to the Stone Age and wrote some wonderful letters home to friends and family about their adventures!

In PE, the children showed great unity and had much fun when practising the FOTFA sports challenge. Many of the children said that they were going to ask to complete the challenge at home. too!

A Peek at the Week...

This week, we will continue our learning journey through the Stone Age.

In English, we are going to be story authors! We will be looking at what makes a good adventure story; we will use our knowledge of expanded noun phrases and fronted adverbials to add detail and interest to our own writing.

In maths, we will be completing our unit on Number and Place Value. We will be rehearsing counting in multiples of 4, 8, 50 and 100 and solving number problems. We will also learn about Roman numerals and practise reading these from I to XII.

In art, we will continue to create our own cave paintings and draw our self- portraits. In French, we are going to be practising our language skills by learning greetings and colours in French. C'est magnifique!

Don't Forget!

Don't forget to check Mymaths, Reading Eggs, Spelling Shed and Google Classrooms for your weekly homework tasks. If you have any difficulties with any of these, please contact the Year 3 inbox.
