TWO SCHOOLS, ONE VISION

At Towers Schools we build our future together

Magic Moments!

Year 3 were amazing last week. They have really enjoyed all of the Book Day activities.
The dioramas brought in for Monday were brilliant! The children then wrote some exciting setting descriptions which were fantastic!

We found out lots about an author called Tom Fletcher and wrote some fact files about him. Be sure to ask your children what they remember! We also read one of his books called The Dinosaur that pooped the past ,which the children found hilarious!

The Book Day costumes were also outstanding! Well done Year 3. We are all very proud of you!

A Peek at the Week...

This week we are celebrating career week. We will be looking at different skills you may need for different jobs. We will be meeting people from a variety of careers and the children will have time to ask them questions.

In maths, we will be finding fractions of amounts and using our knowledge of fractions to solve problems.

In English, we will be focusing on non-chronological reports and linking it to our topic of Ancient Greece, focusing on the Gods and Goddesses. We will be starting to read a new core text called 'Greek Myths' by Marcia Williams.

In science we will continue our unit about Forces and Magnets. This week we will be exploring the strengths of different types of magnets and carrying out an investigation into this.

In Learning Challenge, we are going to start to research information about the ancient Greek Olympics.

In RE, we are going to continue our unit on Christianity. We will start to look at why life rules are important to Christians.

Don't Forget!

Children need to be reading 4 times a week, please record this in their planners.

Please make sure you are checking the dinner menu.
