Year 3 Newsletter

TWO SCHOOLS, ONE VISION

At Towers Schools we build our future together

Magic Moments!

This week, year 3 enjoyed tie-dying their t-shirts. They decided whether they wanted to twist, fold or scrunch their t-shirts and how this may affect their designs.

In science, we looked at different parts of a plant and their functions. The children are continuing to water and care for their sunflowers. The children are making weekly observations on their growth.

The children have enjoyed adding to their Google Slides presentations. They have been developing their computing skills by adding media to their slides.

Great work this week year 3!

A Peek at the Week...

In maths, the children will be continuing the unit on properties of shape. The children will be learning about horizontal, vertical, perpendicular and parallel lines. They will also start to look at the properties of 2D and 3D shapes.

The children will be continuing to write a character description in English. The children will draft, peer assess and learn how to edit and improve our drafts to prepare for the big write on Friday.

In Science, the children are looking at the life cycle of a flowering plant. They will be identifying what stage our sunflower seeds are at.

The children will be untying our t-shirts and washing them out in Art to see the pattern of the tie-dye. They will also be finishing our paper weaving and adding a frame inspired by our mood board.

In Learning Challenge, the children are looking at the different fruit and vegetables that are grown in different countries around the Mediterranean. They will be using ipads to research and use this information to create fact files.

In RE, the children will be evaluating and discussing religious artwork. They will then be recreating an art piece and explaining what the meaning is behind it.

Don't Forget!

As it is getting warmer, the children can wear their summer uniform but please ensure they are wearing sensible shoes with a strap around the ankle.

Over to you... Home Learning

Homework is set every MONDAY and due in the following Monday. This week Year 3 have the following online tasks to complete:

Reading Eggs: Complete the reading book set on reading eggspress.

MyMaths: Complete the task practising your understanding of what we will be learning this week.

SpellingShed: Complete your spelling practice. The spellings on there will match your group.

Spellings

This week we are concentrating on

G1: ball, bawl, berry, bury, brake, break, fair, fare, mail, male.

G2: eggs, once, please, thing, stopped, ever, miss, most, cold, park.

Our spelling test is on Tuesday 17th May.

Log in to Spelling Shed to practise your spellings! Let's see if we can make Year 3 the top of Towers league!
