TWO SCHOOLS, ONE VISION

At Towers Schools we build our future together

Magic Moments!

Year 3 have enjoyed caring for their sunflower plants this week. We are taking it in turns to water and observe them growing. We have been linking this in with the stages of the life cycle of a flowering plant.

The children also enjoyed researching the different fruits and vegetables grown in the Mediterranean. The children collected notes in order for us to create a fact file next week.

Year 3 loved washing their t-shirts and seeing the results of the tie-dying lesson. They cannot wait to add to the t-shirts next week.

A Peek at the Week...

On Monday, we will be taking part in a trip to RHS Garden Hyde Hall. This will link with our science topic to see the range of plants and taking part in various activities. We are so excited!

In maths, the children will be finishing our unit of work about properties of shape with looking at 3D shapes and constructing our own. We will then re-visit the topic of fractions, starting with equivalent fractions.

In English, we will be using our core book 'Ottoline and the yellow cat' to write a diary entry. We will be writing from Ottoline's point of view when she is coming up with a cunning plan.

In Art, we will be using felt to create shapes to sew onto our t-shirts. We will be working on our sewing skills.

In Topic, we will be using our information we collected last week to create a fact file.

Don't Forget!

Trip on Monday, please wear full school uniform and sensible shoes but be mindful of the weather changes and dress accordingly. Bring a backpack for your child's lunch and water bottle.
