Year 3 Newsletter

Magic Moments!

Our wonderful Year 3 pupils have been excellent role models this week by showing our core value of Respect on Remembrance Day.

After learning about the importance of poppies and why we have them, our children created some beautiful poppies! We are extremely proud of your efforts this week. Well Done!

3ML have shared some great ideas for their character descriptions in English.

3D enjoyed being copper children in their topic lesson and even applied for a job in the copper mines!

3CL made excellent predictions in Science and enjoyed being mini scientists!

A Peek at the Week...

What a busy week we have planned! This week we are celebrating 'Friendship Week' at Towers and will be looking at what makes a good friend - we know we have lots of children in Year 3 that will have some great ideas!

In maths, we will be completing our addition and subtraction unit by estimating answers and learning strategies to check answers.

In English, we are continuing sharing The Abominables and will be writing a non-chronological order report on Yetis.

We will also be using our iPads to create short video clips - we wonder if there are any budding filmmakers in the year group?

The children will also be investigating further about life in the Iron Age in topic. In R.E, we will be looking at celebrations in the children's lives: they will think about what they celebrate; how they celebrate and why.

We continue to have our P.E lessons outside so please ensure your child has a tracksuit on Tuesdays.

Don't Forget!

Please ensure your child has a suitable, warm waterproof coat with them in school every day.

Please request to follow Year 3 on Twitter at @TowersYear3.

Over to you... Home Learning

Homework is set every MONDAY and due in the following Monday. This week Year 3 have the following online tasks to complete:

MyMaths: Your task this week is to practise estimating answers and using inverse operations.

Reading Eggs: Please read your allocated book and complete the next two lessons on your map.

Google Classroom: We would like you to design a poster to encourage people to be kind to each other. You can write what kindness means to you, find some kindness quotes or even write about when someone was kind to you. Upload them to Google Drive and we can print them out to display.

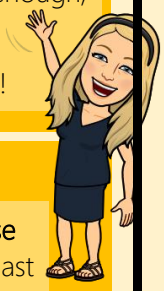
Spellings

This week we are learning the /u/ sound spelled 'ou', found often in the middle of words, sometimes at the beginning and very rarely at the end of words.

The spellings you will need to learn are:

Touch, double, country, trouble, young, cousin, enough, encourage, flourish, couple.

Log in to Spelling Shed to practise your spellings!



Phonics

This week we are thinking about **past tense** and will be using words such as yesterday, last week, last month etc.

Also, adding 'ed'

Keep in touch!
