TWO SCHOOLS, ONE VISION

At Towers Schools we build our future together

Magic Moments!

The children have had an amazing week full of coronation activities! The children enjoyed creating crowns, finger painting flags and colouring in King Charles III's side profile.
They also enjoyed having their photo taken with our new King!

The children have been amazed at how much their flowers had germinated and grown! They have been amazing gardeners, they have seen the benefits of their hard work!

A Peek at the Week...

In English, we will be continuing to build up to writing our narrative based on our core text, 'This morning I met a whale'.

We will be finding fractions of a set of objects in maths. We will then move onto problem solving with fractions.

In Science, we will be learning about the life cycle of a flowering plant. The children will be explaining what happens at each stage.

In Learning Challenge, we will be finding out how the telephone, television and the way we heat our home has changed over time.

This week in RE, the children will understand how art can be sacred and spiritual for believers. They will go on to sketch a religious art piece of their own.

Don't Forget!

Please remove all jewellery including earrings.

Please can you bring in cereal boxes for our Art session on Thursday.

Water bottles should only have water in them.
