Year 3 Newsletter

Week beginning

18.01.21

Magic Moments!

This week our fabulous Year 3 pupils have shown sheer determination in their home learning. We have seen a vast amount of teamwork across the year group as our families and pupils continue to support one another. You are all doing a fantastic job in staying positive. Keep up the excellent hard work Year 3!

3ML have shown marvellous Maths skills when adding amounts of money. Well done for being brilliant bankers!

3D enjoyed being mini artists by producing detailed observational drawings!

3CL have been super sleuths in retrieving information and finding clues in Ottoline and The Yellow Cat.

A Peek at the Week...

As we take a peek at this week, you will see we have lots of new things to learn. We will continue to post our videos to help with your online learning.

In maths, we are carrying on with our unit on money. We will add and subtract money and look at some problem solving where we have to calculate change.

In our English lessons, we will be looking closely at the postcards sent to Ottoline. The children will be writing their own postcards as if they were Ottoline's parents off on their travels. We will of course also be looking for more clues to solve the mystery!

In R.E, we will be learning about a Synagogue, who uses it and how.

Meanwhile, in computing we will be continuing to improve our coding skills. We are looking forward to seeing how the children can be creative using their digital skills!

Don't Forget!

Remember to upload your work to the classwork section of Google Classroom! Mrs Lawless posted a video on our classroom streams to explain how to upload documents or photos. If you attach your work to the assignment, we can respond directly to you.

Over to you... Home Learning

Homework is set every MONDAY and due in the following Monday. This week Year 3 have the following online tasks to complete:

MyMaths: Practise problem solving with money by completing the task we have set this week.

Reading Eggs: Please read your assigned reading book, complete the quizzes and complete at least two lessons on your map.

Spellings

This week's spellings are words with the prefix 'dis-' which has a negative meaning. It often means 'does not' as in does not agree = disagree.
The spellings you need to learn are:
disappoint, disagree, disobey, disable, dislike, dislocate, disappear, disadvantage, disapprove, dislodge

Log in to Spelling Shed to practise your spellings!

Phonics

This week we are continuing to think about **suffixes** focussing on **'-est'**. We will learn the rules to remember when adding -est to the end of different types of words.
