TWO SCHOOLS, ONE VISION

At Towers Schools we build our future together

Magic Moments!

Last week, the children enjoyed watching The Iron Giant as a direct comparison to our core text 'The Iron Man'. They enjoyed matching up the book to the parts in the movie!

The children also enjoyed learning about the Christmas story. They particularly enjoyed acting out what they thought Mary would have said to her friend after giving birth to the baby Jesus.

The children enjoyed creating volcanoes. They are very excited about making them erupt next week!

In art this week, the children have been very creative making calendars and Christmas cards.

A Peek at the Week...

In maths, the children will be estimating numbers on a number line to 1000 and comparing and ordering numbers to 1000.

The children are going to use their story mountain to write a new ending to our core text 'The Iron Man' in English. They are also going to learn about acrostic poems and be writing their own acrostic poem based on Christmas!

In Science, the children will be finding out about muscles and their functions in the body.

We will be using the volcano models that we made last week to create eruptions in Learning Challenge. The children will be presenting information to their peers about what they have learnt this half term.

As it is our last week coming up to Christmas, we will be taking the opportunity to immerse the children in some creative Christmas activities.

Don't Forget!

School finishes early on Friday 16th December at 1:30pm

We hope you all have a lovely break, spending time with your friends and family!

Over to you... Home Learning
