TWO SCHOOLS, ONE VISION

At Towers Schools we build our future together

Magic Moments!

The children enjoyed sketching their own artwork based on religious images.

The children displayed great unity whilst creating their posters in Learning Challenge. The children picked either telephones, television or heating and found out how they have changed over time.

In English, the children used their creativity and imagination to create their own narratives based on our core text 'This Morning in met a Whale'.

A Peek at the Week...

This week in maths the children will be starting their new unit money. They will be working on pounds and pence, adding and subtracting money and converting money.

In English, the children will be continuing to use their core text to write their own limerick and acoustic poems.

The children will be continuing to look at how homes have changed over time in Learning Challenge. They will be focusing on how the outside of the home has changed over the years. The children will then be designing an outside area for the future.

We will be looking at how Islamic artwork can help Muslims believe in RE.

In French, the children will consolidate all language covered so far and put it all together to say whether you are a man or woman from the stone age, bronze age or iron age, which hunting tool you use and where you live.

Don't Forget!

Please donate any cereal boxes for our art topic.

As it is getting warmer, please ensure your child is bringing a water bottle in.

Over to you... Home Learning
