TWO SCHOOLS, ONE VISION

At Towers Schools we build our future together

Magic Moments!

Last week, the children took part in an Ancient Greek workshop. They learnt about democracy, the Ancient Olympics and Greek Gods and Goddesses. They also took part in a quiz, learnt how to play an Ancient Greek game and completed the Archimedes Puzzle.
The children then went on to write a recount of the Greek workshop.

In art, we have been practicing our shading skills so that we can apply them to our observational drawings later in the half term.

During our PE session on Tuesday, the whole year group participated in the reindeer run! Thank you for your support!

A Peek at the Week...

This week is Towers Maths Week. We will be immersing the children into work about shapes, number and place value. They will be creating a Chinese scroll for times tables, becoming engineers when building rockets to test how far they can fly and also designing and creating a maths game!

In English, we will be writing a newspaper report based on our new core text 'Ottoline and the Yellow Cat'. Our SPaG focus will be using commas in lists.

We will be learning about reflection and how light is reflected from different surfaces in Science.

In Learning Challenge, we will be learning about what the Ancient Greeks invented and what we still benefit from today, with a focus on democracy.

We will be continuing to learn about the Jewish faith in RE and specifically about the features of a Synagogue and understand it is a place of worship.

Don't Forget!

Please remove all jewellery including earrings.

The CGP books must come back to school every Monday to be checked and marked.

Over to you... Home Learning
