TWO SCHOOLS, ONE VISION

At Towers Schools we build our future together

Magic Moments!

In art this week, the children have created cultural masks to celebrate black history month.

In Science, the children compared different types of soil. Looking at their appearance, texture and moisture.

In the music lesson, the children listened to r and b music and wrote an appraisal of one of the songs.

A Peek at the Week...

Our last week of term! This will again be packed with lots of learning and activities.

In maths, the children will be using their addition and subtraction knowledge to estimate answers as well as using the inverse to check answers.

The children will be continuing to draft their newspaper reports based on our core text The Abominables in English. We will also be working on correctly using a and an as well as using prepositional phrases.

In Science, the children are going to be scientists and archaeologists as they go on a rock hunt and make their own fossils.

We will be learning about hunter gatherers in our Learning Challenge lessons. The children will be reading 'Stone Age Boy' to help us identify how Stone age people found food.

Don't Forget!

Year 3 will be going on a trip to Hornchurch Country Park for our local history study. Please make sure you have filled in the permission slip!
Please remember to bring an unperishable item for our donations to the food bank.
