TWO SCHOOLS, ONE VISION

At Towers Schools we build our future together

Magic Moments!

This week, year 3 showed fantastic determination whilst planning and writing their newspaper report about the missing Lady Agatha from our core text.

The children loved learning about the triad of 3 Hindu Gods, known as the Trimurti. The children learnt about the 3 Gods' purposes and wrote fact files about them.

In Science, the children worked on the value Unity. Together, they grouped rocks based on their characteristics.

A Peek at the Week...

In maths, the children will continue our learning on number lines and we will be counting in fifties. Towards the end of the week, the children will be starting their new unit addition and subtraction.

The children will be planning and writing a persuasive letter to the Hotel Himalayan from our core text in english. We will be persuading the hotel owner to stop trips to hunt the yetis.

In Science, the children will plan, carry out and evaluate experiments to compare rocks.

The children will be creating paint using natural materials in art. We will then use the paints to create 'cave paintings' like the people did in the Stone Age!

In RE, the children will learn about a Mandir and its importance to individuals and the Hindu community.

The children will continue to work on their touch typing in computing. They will be practicing and improving their typing for home, bottom and top rows.

Don't Forget!

No jewellery, which includes earrings.

Please make sure you are listening to your child read 4 times a week for them to achieve their reward!

Over to you... Home Learning

Homework is set every MONDAY and due in the following Monday. This week Year 3 have the following online tasks to complete:

Reading Eggs: Complete the reading book set on reading eggspress.

MyMaths: Complete the task practising your understanding of what we will be learning this week.

SpellingShed: Complete your spelling practice. The spellings on there will match your group.
