TWO SCHOOLS, ONE VISION

At Towers Schools we build our future together

Magic Moments!

Last week, 3D and 3H performed their class assemblies to their loved ones. We are so proud of all of you! Good luck to 3P who will be performing theirs next week!

To celebrate Diwali, the children created Diva lamps using salt dough. They worked cooperatively to choose a design and mould the dough.

In DT, we discussed seasonal fruits and vegetables ahead of our new unit 'Eating Seasonally'.

In French, we have learnt the names of some musical instruments. The children enjoyed playing the interactive games!

A Peek at the Week...

In maths, we will be focusing on multiplying by 2, 5, 10, 4 and 3. The children will be using arrays to solve sums and explore sharing and grouping.

We will be building up to writing instructions in English. Our SPaG focus is imperative verbs (bossy words). We will be linking this to our core text 'The Iron Man'.

In Science, we will be starting our new unit called 'Food and our bodies'. To begin with, we will be talking about healthy food and creating a balanced meal.

We will be starting our new unit 'Why is the earth angry?' in our Learnng Challenge lessons. We will be exploring where most of the world's volcanoes are and what makes them erupt!

In Computing, we will be learning how to code. We will be creating some simple commands using timers.

Don't Forget!

Please remove all jewellery including earrings.
Try to read 4 times each week.
