Year 3 Newsletter

TWO SCHOOLS, ONE VISION

At Towers Schools we build our future together

Magic Moments!

Last week 3P created Stone Age inspired pots with clay. We loved discussing the patterns we wanted to create and using a range of tools.

We also conducted an investigation using rocks. 3D enjoyed testing the hardness of a rock by scratching at them and recording the results.

3H worked hard on their retrieval skills by answering questions about the Stone Age. They discovered what animals lived in the three time periods as well as where they lived.

A Peek at the Week...

In maths, we are continuing to add and subtract numbers in a variety of methods and begin to see the connections/patterns addition and subtraction sums have. We will also be working on our 2, 5 and 10 times table!

In English, we will be focusing on understanding stories have a structure (introduction, build up, problem, resolution and ending). In our Friday Big Write, we will be writing a story about something unusual landing in our Towers Town.

In Topic, we will be learning about the Stone Age food and then designing a menu for a Stone Age person.

In Science, we will be learning about the process of how fossils are created and they wonderful discoveries they have lead Scientists to discover.

In R.E, we will be learning about a Mandir is and its importance to individuals and the community.

Don't Forget!

PE is on Tuesdays.

Although we do not have reading records yet, please make sure you are reading at home!

Over to you... Home Learning

Homework is set every MONDAY and due in the following Monday. This week Year 3 have the following online tasks to complete:

Reading Eggs: We are still setting this up!

MyMaths: Complete the task practising your understanding of what we will be learning this week.

SpellingShed: New logins went home this week as we were facing a few errors. Please email year 3 if you are still having issues!

Spellings

This week we are concentrating on the sound 'ze'.

Our spelling test is on Monday 4th.

measure treasure pleasure enclosure pressure
composure leisure exposure closure disclosure

Phonics

This week we will be concentrating on the sound 'ze' in relation to our spellings. As well as revisiting previously learnt phonics for 15 minutes every day.

Keep in touch!
