Year 3 Newsletter

Magic Moments!

Year 3 have had lots of fun learning more about the Stone Age this week. We found out lots of interesting information about Skara Brae - an important Stone Age archaeological site. Look out for our news reports on this important discovery!

In 3CL, one class member showed that she is a definite historian in the making when she asked insightful questions about the materials used to make the Stone Age dwellings found in Skara Brae.

During PE, 3ML practised their forehand skills in their tennis lessons and 3D continued to work on their ball skills using basket balls.

We have been working hard on their cursive handwriting. Who will our handwriting heroes will be this week?

A Peek at the Week...

Next week, we will be making links between our learning in science and in topic; we will be taking a close look at different types of rocks and their properties. We will be thinking like scientists: we will make careful observations and record what we see.

In English, we are going to be finding out how to care for a woolly mammoth when we read our second core text for this half term - 'How to Wash a Woolly Mammoth'. Through the text, we will be looking at instructions and the correct use of imperative verbs.

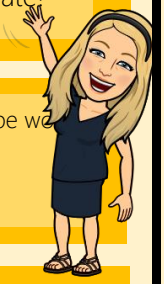
In maths, we are starting our block on addition and subtraction. We will be practising adding and subtracting multiples of 10 and then moving on to methods of adding and subtracting 3-digit numbers and 1-digit

In RE, we be finding out about the celebration of Diwali and we will share the story of Rama and Sita. The children will be designing their own diva lamps. We can't wait to see the designs that they create!

Don't Forget!

PE days are Tuesday. Please wear full PE kit to school on these days. No earrings can be we to school at any time.

Please request to follow Year 3 on Twitter at @TowersYear3.



Over to you... Home Learning

Homework is set every MONDAY and due in the following Monday. This week Year 3 have the following online tasks to complete:

MyMaths: Use partitioning to help you add and subtract 2-digit numbers. This revision will help you be ready to use written methods in addition and subtraction.

Reading Eggs: Please read your assigned reading book, complete the quizzes and complete at least two lessons on your map.

Google Classroom: You will find a link to a French song this week. Practise the greetings in the song with your family!

Spellings

The rule of the week is:
Words ending in -tion

The spellings you will need to learn are: station, fiction, motion, nation, education, action, injection, caption, fraction and competition.

Log in to Spelling Shed to practise your spellings!

Phonics

This week's sounds are: /oo/ = 'u-e'; /oo/ = 'ue' and /oo/ = 'ew'.

Keep in touch!
