Magic Moments!

The children worked incredibly hard in their Assessments this week, but we've also had lots of fun too!

We've been making music this week! The children enjoyed exploring how to use the Glockenspiels, playing different notes.

We also did some more printing – this time making our own printing blocks using playdough.

The children also had the opportunity to lay their Poppy wreath's during our whole school Remembrance service. The children showed our core value of Respect; respecting to those who fought and died for our country.

A Peek at the Week...

This week is Friendship Week so the children will be taking part in PSHE focused lessons throughout the whole week.

In Maths we will be finishing our measurement unit on perimeter and moving on to multiplication and division. We will start by brushing up on our multiplication by 10 and 100 skills.

In science, the children will be investigating classification keys and how to use yes/no questions to sort and identify different living things.

For Topic, we will be using our acting skills, exploring a play script about Boudicca.

Don't Forget!

That it is Children in Need day next Friday 19th November. Remember that the children should try to wear something spotty if they can.
