Year 4 Newsletter

Magic Moments!

This week, the children were very engaged in identifying living things that would be found within our immediate environment and enjoyed classifying and sorting them into groups.

Also, for Science each day there is a new experiment to be done at home. Please find out from the slides on google classroom.

The children have enjoyed reading our core English text: Escape from Pompeii learning about volcanic eruptions.

We have been busy planning our class assemblies to be recorded next week singing plenty of songs. The children are excited about performing! Watch this space…

A Peek at the Week…

This week:

In English, we will be looking at speech and use of inverted commas for dialogue between characters.

In science, we will be looking at extinction amongst different living things.

In Topic, we will be looking closely at the character description of Boudicca to create an artist's impression.

In PE, we will be using our skills from our Invaders topic creating game situations.

Don't Forget!

Please could you send in a Christmas Jumper/Top to wear for their Class Assembly which will be recorded next week. We will keep them safe in a box until needed. To keep on reading at home and noting this in your planners. The expectation is four reads in a week to get a tick on our reading chart. Also, continuing to learn your times tables.

Over to you… Home Learning

Homework is set every MONDAY and due in the following Monday. This week Year 4 have the following online tasks to complete.

MyMaths: Short multiplication task.

Spelling Shed – Please practise your weekly spellings.
