Week beginning

21.3.2022

Year 4 Newsletter

TWO SCHOOLS, ONE VISION

At Towers Schools we build our future together

Magic Moments!

What a week that was!

Children thoroughly enjoyed Science week: They were captivated by the Science workshop; the word WOW was used many times! See Twitter for some photos and videos!

We also had fun in PE, exploring the Science question of the week: Can people with longer legs run faster? Children used Maths skills to measure both the length of legs and time taken to run a short distance. Check out the photos on Twitter!

We also attended a Commonwealth Assembly where some children shared some amazing facts about our School Country for the games: St Lucia!

A Peek at the Week...

This week:
In English we will be continuing our comprehension practise which the children really benefit from. Please do remember if reading at home ask children to answer questions about the text. We will also be focussing on letter writing, thinking about a formal letter and the correct way to write one.

For Maths we are revisiting some of the maths concepts that the children find most difficult. Specifically, looking at factor pairs and 1 and 2 step problems.

In Science, we will be starting our next topic – Looking at States, becoming more familiar with the properties of solids, liquid and gases.

Don't Forget!

Please continue to learn your times tables – try this link at home as the children are practising this in school: https://www.timestables.co.uk/multiplication-tables-check/

Don't forget water bottles for your child.

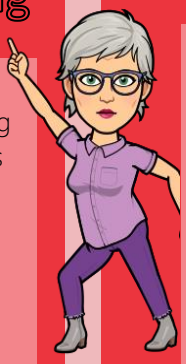
Over to you... Home Learning

Homework is set every MONDAY and due in the following Monday. This week Year 4 have the following online tasks to complete.

Mymaths: A problem solving homework has been set.

Reading Eggs: Chapter 2 of Greek Mythology.

Purple Mash: Fractions of an amount



Spellings

This week – Challenge Words

Group, height, particular, potatoes, separate, surprise, various, through, though, woman

Do check words against this newsletter and the ones stuck into your child's book to make extra certain.

Keep in touch!
