TWO SCHOOLS, ONE VISION

At Towers Schools we build our future together

Magic Moments!

This week Year 4 had their first Year Group Assembly. This was the junior assembly the children have ever had! They enjoyed being together as a Year Group Team.

In science, the children undertook an investigation into tooth decay to find out how different drinks affect eggshells (they are made from a similar material to teeth!) and they have had great fun observing the changes that are happening.

In topic, the children learnt how and why the Romans were so successful in battle, looking at a range of sources.
The sun shone again for our PE this week … the children are enjoying the tennis and the good weather!

A Peek at the Week…

In our SPAG lesson this week, we will be looking deeper into fronted adverbials. We will also be doing some non-fiction writing about life as a slave and how an aqueduct works.

For maths, we will be counting in 25s and diving in to negative numbers.

In science we will be looking at the results of our investigation using eggshells to represent teeth, and drawing conclusions from our results.

For Topic we will be investigating how the Romans have influenced our lives today.

Don't Forget!

Coats, PE kits and sweatshirts need to be named as we are beginning to build quite a pile of un-named clothing across the year-group.

Over to you… Home Learning

Homework is set every MONDAY and due in the following Monday. This week Year 4 have the following online tasks to complete.

Maths For maths homework this week please log in to MyMaths and do the place value homework

Spelling Shed – Please practise your weekly spellings.

Purple Mash: Online safety tasks to be done have been set during lessons. Please could you have a conversation at home about how to stay safe online.

Spellings
