Week beginning

3.07.2023

Year 4 Newsletter

TWO SCHOOLS, ONE VISION

At Towers Schools we build our future together

Magic Moments!

This week, the BIG News was 'Meet the teacher' Day! The children were excited to meet their Year Five Teachers and had a great morning completing their transition tasks.

In PE, we continued to practise for sports day – we're ready to race now!

In Computing, the children had the chance to be musicians creating different rhythms and beats per minute.

In French, the children used their knowledge of French habitat vocabulary to complete a word search.

A Peek at the Week...

This week:
English will see us do our usual comprehension this time using an extract from Charlotte's Web. Our SPAG lesson is focusing on writing in different tenses.

In maths we will be reading and plotting co-ordinates in the first quadrant and drawing 2D shapes.

Our PE lessons this week will be our Sports Day – we hope to see you there!

In Learning Challenge, we will be studying how punishments have changed through the different periods of history. Doing our own research and deciding which would be the worst era to live in!

In DT, we will be creating our torches using the designs we made earlier – please see the note below about water bottles!

Don't Forget!

Please don't forget water bottles and caps, now that Summer is in full swing. To make our torches in D and T on Tuesday, please send in a small water bottle from your recycling bag.

Over to you... Home Learning

Homework this week:

Maths: Mymaths task – properties of triangles

Purple Mash: Go to Logo in tools and work through the Time-Trials of Logonator.

Spelling Shed: Log-on to practise this week's spellings.

CGP Grammar book: Complete pages 72 - 73
